Correlation to South Carolina's Early Learning Standards  
For 3, 4 and 5 Year Olds

The South Carolina Early Learning Standards area based on what we know about children, including what they should know and be able to do along with a continuum of development. The Standards are grouped around five areas of children's development including:

Approaches to Learning  
Social and Emotional Development  
Mathematics  
Language and Literacy  
Physical Development and Health

These standards can be used as guides for developing and adopting curriculum content, including instructional methods and materials, assessment practices, and for planning professional development opportunities.

The following pages list the standards for 3, 4 and 5 year olds in each of the five areas of development as stated by South Carolina.

To assist teacher planning, each of our activities are listed along with the state learning standards that pertain to those activities.

Please consult *Good Start Grow Smart* web page for the listing of South Carolina's Early Learning Standards with additional information.
