Implementation Checklist
Level 2 Units

If you intend to use this curriculum in the classroom setting, our research study determined that there are certain activities found within each curriculum unit that should be repeated as indicated in order for the curriculum to have maximum success.

This checklist is designed to help educators identify which activities should be repeated so that story content and related vocabulary are woven into all aspects of learning.

Teaching Materials:
_____ Send parent letter to introduce unit
_____ Add story props to dramatic corner; change, rotate and/or add

Scheduled Activities:

Daily
_____ Read curriculum unit storybook emphasizing a variety of cognitive concepts and vocabulary as appropriate
_____ Review Concepts of Print during daily readings
_____ Phonemic Awareness activity related to story
_____ Review familiar words and phrases from the story
_____ Math activity related to story
_____ Music or rhymes related to the story

Once or twice per week, as appropriate
_____ Use science journal to note predictions and record actual findings
_____ Social studies activity related to story
_____ Creative writing activity related to story
_____ Snack or foods related to the story (at least twice a week)

End of Unit:
_____ Parent letter with child assessment information
_____ Child receives an identical copy of the storybook that has been read each day throughout the unit (optional)*

*Order children’s storybooks directly from Scholastic Literacy Partners Program at 1-800-387-1437.
