

Help Old Lady Bunny Find the Pairs

Domain:

- Cognitive, Language, Fine Motor

Objectives:

- Child will identify two identical objects to create a pair.
- Child will demonstrate knowledge of the concept of pairs.
- Child will paste pairs of objects in appropriate position on the page.

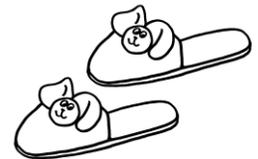

Materials:

- *Find the Pairs* work page
- *Find the Pairs* reproducible page
- scissors
- glue

Instructions:

- Teacher will introduce the concepts of pairs and objects that are commonly found in sets of two.
- Teacher will point out pairs of objects found in the story.
- Child will identify pictured objects in the book and on the work page.
- Teacher will copy *Find the Pairs* work page.
- Teacher will copy *Find the Pairs* reproducible page.
- Teacher or child will separate pictures by cutting boxes along straight lines.
- Child will match objects to create a pair.
- Child will paste pairs of objects onto the work page in appropriate position.
- Old Lady Bunny on reproducible page may be colored after pasting activity is completed.

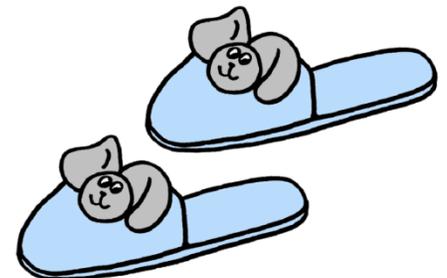

Suggestions:

- Enlarge pictured objects and use this as a large group activity.
- Present additional sets of objects that are pairs.
- Use real objects for a fun large group activity.
