- Present all four word pictures (cake, rake, egg and leg).
- Ask the child to identify each of the four pictures.
- Now choose one picture and ask the child to select the picture that rhymes with that word.

- Reinforce the rhyming concept by having the child repeating both words.
- Ask the child to name the two remaining pictures.
- Again reinforce the fact that the words have similar rhyming sounds.
- Continue this process adding another set of rhyming words.

Suggestions:

- Make a rhyming game by asking children to select the two pictures that rhyme. Encourage the children to make up silly sentences using the two rhyming words.

I ate my cake with a rake.

A drum fell on my plum.

I bought a pickle for a nickel.

- Use cards to make mini rhyming books for each child.
- Challenge children to see how many rhyming words they can use in one sentence.

There's a mouse in my house eating cheese with the bees.

- Copy two sets of cards to make a matching game where children can match pictures and sight words.
