

Shape Matching Cards

Domain:

- Math, Reading

Objectives:

- Child will match shapes.
- Child will repeat familiar words and phrases.
- Child will identify these shapes:

Materials:

- *Mouse, Mouse, What Do You See?* Shape Book pp. 277-286
- paper punch
- two large rings (or binder for flip book)

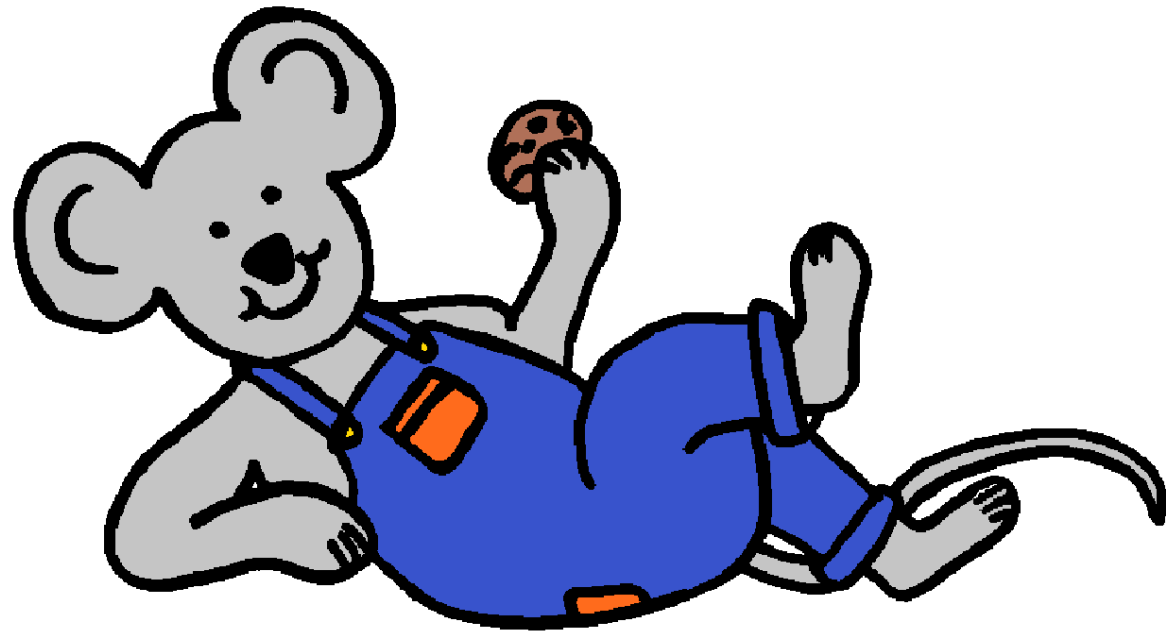

Instructions:

- Teacher will copy *Mouse, Mouse, What Do You See?* Shape Book reproducible pages.
- Punch two holes on the top of each page and insert two large rings to create a flip book, or punch holes along the side and place pages in a binder.
- Teacher will assist children in identifying pictured shapes by reading *Mouse, Mouse, What Do You See?* and identifying the shapes as they appear in the book.

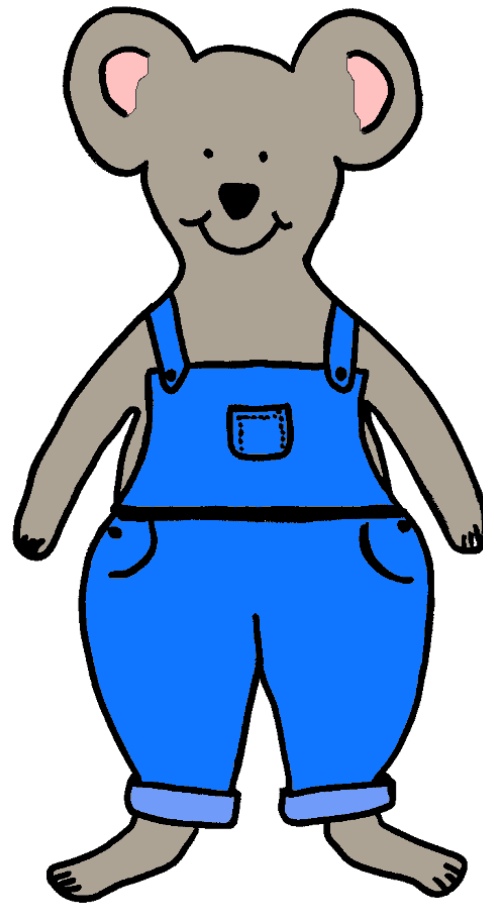

Suggestions:

- Laminate book for durability.
- Have wooden shape blocks available so that children may match blocks to the appropriate shape picture.
- Place the "*Mouse, Mouse, What Do You See?*" book out for the children to read during centers.
- Send the "*Mouse, Mouse, What Do You See?*" as a nightly take-home book with the children to read with their parents.

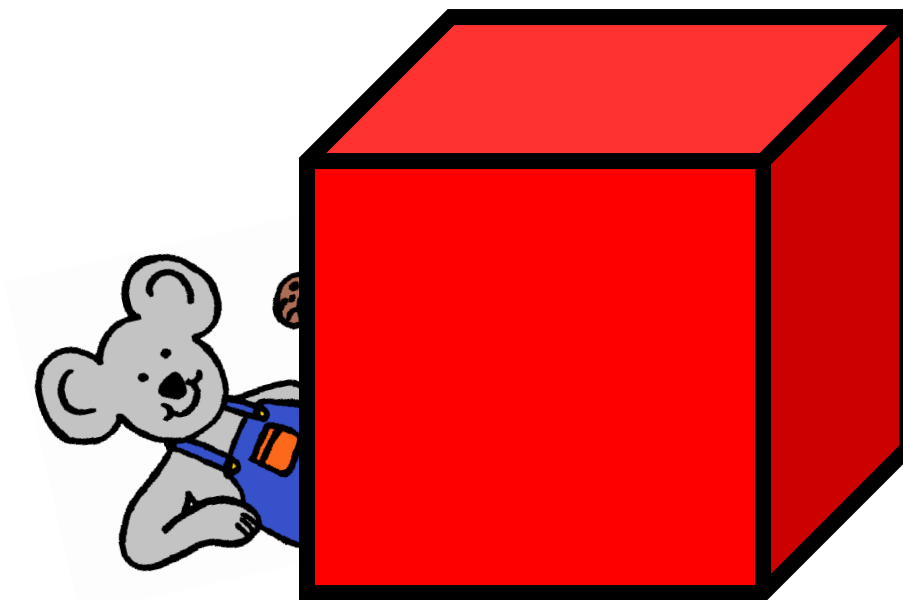

Mouse, Mouse, What Do You See?
