

Barn or Ocean?
Classification
Abstract Level B - Using Pictures

Cognitive

Domain:

- Cognitive, Language, Fine Motor

Goals:

- Child will identify names of animals.
- Child will sort pictures according to the category of *Barn* or *Ocean*.
- Child will paste pictures in appropriate columns.

Materials:

- *Barn or Ocean* activity p. 125
- glue
- scissors

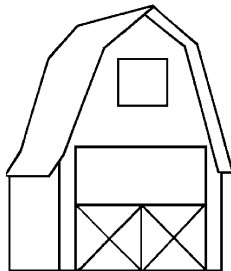

Instructions:

- Teacher will copy one activity page per child.
- Help children to identify pictured objects.
- Assist children in deciding if each animal should be classified as living in a barn or ocean.
- Child will paste pictured object in the appropriate column.

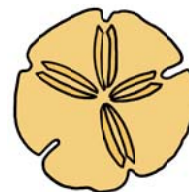

Suggestions:

- Children with more advanced cutting skills should be encouraged to cut squares in preparation for pasting.
- Objects may be colored before or after pasting.
- Print activity from colored CD and laminate to create a file folder game.
- Enlarge graphics to create a large group activity.

Barn or Ocean Classification

I live in the ocean.

I live in a Barn.
